9. **ITEMS FROM BOARD MEMBERS:**

Board Member Goff stated that there are a lot of comments and complaints about all of this money being spent on a new recreation center rather than on the pipes in the ground. People don't seem to understand that it was already voted on for the money to be allocated to the recreation center. **Superintendent Brewer** stated that it is not general fund money and it was earmarked for this through a very long public process. Groundbreaking for the new recreation center should happen late July or early August. Bids came back and they are all very good. The Recreation staff have relocated to Firemen's Hall on San Mateo Avenue.
